Ivan The Terrible vs. IntegraSpec Orange Beach, Alabama October 2004

IntegraSpec Gulfsouth's Grand Caribbean Condo Project in Orange Beach, Alabama goes 10 rounds with Ivan the Terrible and wins with only minor roof panel injuries.

Ivan's wrath was devastating to various traditionally constructed buildings on Orange Beach.

Author's Note: The Team at IntegraSpec sympathizes with the victims of Hurricane Ivan and in no way take this horrible disaster lightly. Please build responsibly.

Specify Integrity in your next project:
